

- 4 - Pulse valves for flat surfaces (SQ series)
- 5 - Straight through pulse valves (FD series)
- 6 - Flanged straight through pulse valves (EFD series)

These valves can be manufactured in compliance with the EU 94/9/EC ATEX directive with the following markings:

ATEX II 2 GD (zone 1 and 21)  
ATEX II 3 GD (zone 2 and 22)

(The ATEX directive is illustrated at page 101/103)
